# NOTIFICATION OF RESULTS

Please note that the accurate and punctual reporting of results by clubs is vital, both to the efficient administration of the League and to maximising the coverage and publicity which the League merits and which attracts and develops sponsorship at all levels. All clubs have a responsibility to adhere to the straightforward instructions listed above. The Management Board **will impose a deduction of three points and a fine of £25.00** on any club who fails to meet this responsibility on any occasion.

1.  Both sides must ensure that the relevant fixture is downloaded and their squad details have been entered on to play-cricket.com by 12.00 p.m. on the day prior to the match.

2.  The result and scorecard details from all League, Williamson Trophy and (Twenty20) Challenge Cup matches must be published on play-cricket.com by the **HOME** club within 30 minutes of the end of the match, including all matches that are abandoned without a ball being bowled.

3.  If, for any reason, it has not been possible to activate Live Scores and/or upload the result and scorecard details to play-cricket.com, the **HOME** club is responsible for reporting the result to the General Manager on 07767 775350 within 60 minutes of the end of the match – the report should include all details listed in number 5 below.

4.  Matches abandoned without a ball being bowled must **ALWAYS** be reported to the General Manager on 07767 775350 within 30 minutes of the decision to abandon.
